

Dear Sir / Madam,

I am writing to let you know about the following upcoming works along the A47 which will be taking place around North Burlingham from the 11th June 2018 for approximately 4 weeks, between 8pm and 6am on weekdays only.

- Road surface repairs
- Renewal of road lining and studs
- Replacement of road signs and posts

*** There will be no works, closures or diversions in place on Friday 15th June due to the expected traffic for the Great Yarmouth Air Show ***

We will endeavour to complete these works during the above dates, however, factors such as weather may cause delays. If there is to be a significant delay, further notifications and information will be sent out.

Due to the nature of the works being carried out, noise and light disturbance is unavoidable. We will however attempt to keep this to a minimum.

Your safety is important to us, as is the safety of our operatives working on site. We would be grateful if you observe the signs and restrictions in place as any unauthorised access creates a serious safety risk to everyone.
