

How do you see Lingwood (and Burlingham) developing over the next 10-20 years? Would you be happy if 300 houses and 20 industrial units were built next to the Village Hall? It could happen, you know. Or would you want certain areas of land to be protected?

The Parish Council is hoping to produce a Neighbourhood Plan which will take precedence over the Greater Norwich Local Plan.

If you care about the future of our villages, would you like to be part of the Steering Group? You wouldn't have to join the Parish Council.

Please find a link to Strumpshaw Parish Neighbourhood plan so you can see what we hope to achieve.
