

BMS – Update dated 21.11.2022

Good news – We now have two new committee members joining the team.

Martin Kentish takes up the role of IT & Marketing

Dean Carvalho takes up the role as Secretary.

A big thank you & welcome from all Shed members.

Say hello to them the next time you are in the Shed.

Heaters & Wi-Fi - Both have been ordered & I have requested installation before Christmas. Watch this space

Additional Electrical sockets etc – One of our store managers John Kidd's son Chris, who is a qualified electrician has now completed all this work for us & has made a really good. Thank you John & Chris. We can recommend Chris for domestic work as well.

BMS Open Day – Sunday 11.12.2022 from 12 – 3

Broom Boats are also having a Marina Christmas event the same day from 12 – 6.

Any donations for the BMS are welcome as we can sell them on the day & raise money for the Shed funds. You can start dropping off donations at the Shed now

Could I please remind Les to bring Spud his Austin 7 & John to bring one of his many cars possibly his Triumph Spitfire for display & a talking point.

Steve & Kelvin could bring one of their many motorbikes if it is safe to do so.

Ian M is going to bring some Fire Brigade memorabilia for photo shots on the Fire Engine

Dates for your diary

Games Day	Wed 30.11
River Litter Pick	Wed 07.12
First Aid Awareness	Wed 07.12 Starts 11.00
BMS Open Day	Sun 11.12 from 12 – 3
BMS Christmas Dinner	Wed 14.12 Details to follow. Members only
Last day at the Shed	Wed 21.12 From 10-03 Mulled wine & mince pies
Shed closed over holiday	From Wed 21.12 to Wednesday 04.01.2023 Inclusive
Shed open first day back	Tuesday 10.01.2023 From 10 – 3
Games Day	Wed 25.01
River Litter Pick	Wed 01.02

Tea, coffee & biscuits / Milk - We should never run out. If you see the levels are low, speak with Alun ASAP & he will arrange the necessary top up.
The duty manager is responsible for bringing in fresh milk for every session

Nail Gun - We need to buy one for the Shed & in the short term borrow a Cordless Rechargeable safety tip nail gun with batteries & charger. It will mainly be used by the Production team making “Stuff” from pallets. Can anyone help & advise what is the best gun for us to buy. Speak Terry
The Pallet area is now up & running – Come On Down & start splitting some pallets. It would be good if we could make some garden troughs for the community. Paul who leads the team has lots of ideas, plans / drawings we can use to make bits.

First Aid Awareness Course – Wednesday 7th December

This is not a certificated course but a need to know course.

Can be used at the Shed & at home.

British Red Cross are providing the course for us & I have 15 places.

I want to fill all 15 slots to show our support for First Aid & the British Red Cross. Names to Alun / list on notice board

Christmas Lights & bits – Ray has had a sort out & we now have a tree & lights for Christmas. Thank you. The plan is to have it in the quite area. Alun & his team are in charge for putting it up / down. Chase him up. He may need some help.

We plan to have mulled wine & mince pies on Wed 21st Dec our last day before we close down for holidays. This is a thank you & happy holidays from your Committee & Trustees.

Welcome to new members

Paul Clark

Dean Carvalho

Please track down Paul & Dean and say hello, make them a drink & make them feel at home.

This will probably be the last Update for this year 2022

See you all next year 2023

Be good, be safe & be happy

Happy holidays

Terry Ambridge

Chairman
